Dear Vzakeini,

It has been a long journey to get where we are today. Honestly, I don't know how we've had the strength to keep going. The only explanation is the power of tefillah and the power of community.

Your tefillah proclaims to Hashem that we are brothers and sisters standing together. Even when things get bleak and there seems to be no way out, the thought that there is an army of people praying for our success gives us the strength to keep moving forward. Even when it feels like your tefillot are not being heard, our Father is listening...
